PREAMBLE

Just like a new child, DYNAMIC EBIRA FRIENDS CLUB IN NIGERIA was conceived and given birth to in 1996 by concerned Ebira-Tao sons whom while studying at Kogi State Polytechnic, Lokoja, believed that a united, purposeful, and virile Ebiraland is only possible through cohesion, understanding, friendliness and a belief in ONE UNITED, Ebiraland. The only route to achieving the foregoing therefore was by having an all Ebira-Tao club, where; clan, religion, political affiliation, local government area, wards, and all manner of sentiments would not be a barrier except as set-out hereunder in this constitution as qualify, action for admission into the club. In further adherence to the above, the founders drew friends of like minds together to harness ideas to see this dream through. This culminated into what was then called DE FRIENDS CLUB and subsequently metamorphosed into the present day DYNAMIC EBIRA FRIENDS CLUB IN NIGERIA, incorporated with the Corporate Affairs Commission (CAC) in 2012, with CAC No. CAC/IT/NO/56698.

Whereas the persons who subscribed hereto are desirous, inter alia of restoration of proper ethical values in individuals and communal relationship among the Ebira-Tao people of Kogi Central; and are mutually persuaded by the need for enthronement of peaceful and mutual understanding among themselves for the progress and development of our Community and being committed to the sustenance of these values and traditions of peaceful co-existence of both the leadership and citizenry, we therefore resolved to advance the ideals, aims and objectives set-out in this constitution.
